

Increase production efficiency. Access new markets.

CUSTOMIZED CONSULTATION TO IDENTIFY YOUR NEEDS.

3 hours of on-site customized consultation will include:

- Process, personnel and procedural flow observations and provide feedback/suggestions for improvement
- Certification process – what are the steps you need to begin the process
- Identify gaps in your current food safety system and help navigate through regulatory framework
- Review written programs
- One-on-one consultation about findings and give guidance or next steps
- Flexible to your production schedule

FEE: \$250 plus GST

ALREADY KNOW WHAT YOU NEED? CHOOSE FROM THE FOLLOWING ADVANCED SERVICES:

- On-site training for your employees
- HACCP Program review and recommendations
- Develop a detailed step by step process in obtaining specific certification
- Help you navigate through regulatory framework
- Written reports (GAP analysis report, pre-audit report, etc.) to prove due diligence to certification bodies

Pick one or as many as you need. Customized training at a great price. Contact us for a price quote.

NEED ONGOING FOOD SAFETY EXPERTISE? GETTING READY FOR AN AUDIT?

Ensure your production is consistently efficient and food safety compliance is never questionable by using our expert staff.

- Assist with targeting a food safety goal (certification, training, etc.)
- Continuous assistance with process flow and procedural flow assessment
- Continuous HACCP program maintenance and improvement
- Audit readiness training and mock audits
- On-site presence during certification audits and act as a liaison between you and the auditor

More affordable than hiring a full-time staff! Contact us for a price quote.
